

SDHA FACTSHEET 2014-2019

SDHA is a Nongovernmental Organization (NGO) under Government registration No 326/RGB/NGO/OC/10/2017. SDHA was founded in 2014 by a group of volunteer-members from different backgrounds and disciplines to make a difference in community welfare through supporting Villagers in making right choices of their development initiatives and action for Humanitarian relief in disasters, refugees and needy people.

The development philosophy of SDHA bases on community self-reliance and local centered development. Humanitarian philosophy bases on prevention and management for coping to the various disasters to dignify and reduce human vulnerability in case of natural disasters namely climate change, calamities, refugees among others. In this hybrid approach (development and emergencies), SDHA strives for sustainable development and Human relief.

From 2014, our intervention in the above mentioned five program areas has reached over **6666** beneficiaries in MUHANGA District, Southern Province.
